The ECB Story (so far!)

We are a family run event décor business based in Leeds that started back in June 2014 when we saw a small local wedding décor business for sale and the rest, as they say, is history.

Since then our business and our team have grown more and more each year, starting off with a few chair covers, boxes of sashes and a couple of centrepiece items; to now having over 15 different centrepiece ideas, thousands of chair covers and sashes, 6 different sets of light up letters, 4 backdrop curtains, flower wall, 2 dancefloors, ice cream, slush, popcorn, photobooth, blossom trees and candy cart.

We pride ourselves in being able to provide a high quality, reliable and professional service which is reflected in our all 5* reviews on our Facebook business page and also becoming one of 2 preferred suppliers in one hotel and the only preferred supplier in another.

Our aim is to take away some of the stress of planning your special day by helping to transform your venue into your dream wedding/birthday/event.

Your vision for your special day is only one click, one phone call or one email away.

Please get in touch with one of the team by messaging us on our Facebook page, giving us a call, or via email. (see below for all contact methods).

We look forward to speaking with you all, and thank you for your continued support.

Jo, Pete and all the team at Elegant Covers & Bows xxx
